Disposition of Due Process Complaints (number of cases filed)

Cases decided means total decisions known to be issued, whether or not reported on the DOE website. Cases settled/other is the difference between total cases compiled by the Special Education Advisory Council in annual reports for SY2005-06 to SY2010-11 and total decisions. For SY2011-12 through SY2013-14, the chart uses the docket number of the decision with the highest number as the total of cases filed because the actual number of cases filed is not available.
