Information and resources about the following topics:

-  How to assist students with hearing loss (and other disabilities) to transition from secondary to college or university.
-  Where to access quality coaching support to prepare students for success in academics, employment, and independent living.
-  How to assist students to learn self determination skills as they prepare for independent adult roles in their communities.
-  Supporting students through Person Centered Planning to set and achieve goals.
-  Supporting students to develop the skills and experience they will need to transition from college to the workforce.

*Empowering today,
preparing for tomorrow!*

 **SUPPORT. PLAN. SUCCEED.**
TOGETHER WE CAN!
